Come to Play

Admission to museum exhibits is included for the day of the party. Guests are encouraged to arrive early or stay late.

Guests

Parties include admission for the birthday child and up to 25 guests. Infants under 12 months are not included in the total guests. Additional guests can be added for an extra fee (see Party Boosters). Invitees who have BFK memberships still count as guests.

Dropping Off Children

At the discretion of the party host, guests of the birthday child may be dropped off. A caretaker must sign the child in and out of the party and leave an emergency contact.

Supervision & Safety

The party host family is responsible for the supervision and safety of all children. BFK recommends 1 adult per 4 kids. No child should be left unattended.

Arrival

Upon arrival guests are required to register at the front desk and are able to leave gifts on the party cart. Guests are encouraged to play in the exhibits until the party announcement is made. Party hosts are welcome to use their party cart to unload their vehicle.

Carry-ins

Party hosts are welcome to bring in food, as long as it requires no heating (no crock-pots or buffet warmers). Orders for delivered pizzas must be placed through the BFK at least 3 days in advance.

Decorations

Permitted decorations include tablecloths, table-toppers, centerpieces and party favors. BFK does not allow piñatas, silly string or hanging decorations on the wall or ceiling.

Choose your theme!

Artist Adventure*

Unleash Picasso! Kids will create an art project to take home. Choose from origami, bubble wrap printing and more!

Safari*

Be wild! After decorating safari hats and making animal mask, the children will go on their own safari to spot wild animals.

Out of this World*

Calling all explorers! Kids will create UFOs and marble paint their own planets to take home.

Under the Sea*

Come celebrate under the sea! The party-goers will go on a scavenger hunt and create a jellyfish or mermaid.

Dino Dig*

Kids will become paleontologists and search for dinosaurs in the museum exhibits. They will also create dino skeletons and dig up their own fossil to take home.

Mad Scientist^

Lab coats and goggles will get kids in the mood for science! After four fun hands-on science activities, each little scientist receives a take-home experiment.
