## Special

### Celebrate Art Weekend

Jan. 25 - 27

Wisconsin Children's Museums around the state are ready to have imaginations run wild on January 25-27 for the Celebrate Art Weekend. Each Museum will have various programs that encourage creative exploration, discovery and art!

The BFK will have art-focused events all weekend long including storytelling, community art projects and more!

### Diversity Discovery Free Day

Feb. 10, 12 pm - 5 pm

This free admission day will have local diversity non-profits and community groups with hands-on activities for families to learn, discover and celebrate what makes our community unique!

### Dr. Seuss Week

February 26 - March 2

Are you ready for Fox in Sox, Cat in the Hat and Hop on Pop? Come celebrate one of our favorite storytellers! We'll have Dr. Seuss stories and programs all week!

## Monthly Programs

March, 20, 22 & 23, 10:30 am & 1:30 pm

Lorax, by Dr. Seuss

Listen to stories, meet the character and do a hands-on activity.

## Weekly Programs

### Books & Brushes

Fridays, 11:00 am

in the da Vinci Studio

We'll start with a book, then do an art project based on the story.

### Build It!

Wednesdays, 10:00 am & 3:00 pm

in the Innovation Lab

Little engineers will love this drop-in program! Each week will feature a different building challenge and materials.

### Non-Stop Art

Tuesdays & Thursdays, 1:00 pm

in the da Vinci Studio

Join us as we explore the elements of visual art and then create based on what we learn. We'll explore lines, texture and more!

### Act Up formerly Play Time

Every other Friday at 3:30 pm

in the Mielke Family Theater

Calling all actors! Warm-up your imagination, explore make-believe and help bring the story to life.

### Pop-Up Programs

They might be science, art or literacy, but they will all be awesome!

### Munchkin & Me

#### Formerly Puddle Jumpers

Tuesdays & Thursdays, 9:30 am  
in the Mielke Family Theater

Munchkin & Me is an early learning program intended for infants, toddlers and their caregivers featuring music, movement, language and storytelling!

### Slime Time

Every other Friday at 3:30 pm

in the Classrooms

Kids love slime and adults love to keep messes out of their homes! We'll be exploring a different slime each program through scientific properties, texture and more!

### STEM Explorers

Tuesdays & Thursdays, 10:30 am  
in the Innovation Lab

Investigate with us as we discover different aspects of STEM (Science, Technology, Engineering and Math). Each week will have a new topic and include different STEM hands-on activities.
